## Hawaiian Electric Company.

The cleanest, brightest, safest and really, in the long run, the cheapest and best light for use in the family residence, is the incandescent electric light. Safe; nothing could be safer. A few days ago a prominent gentleman of Honolulu came rushing down to the office of the Electric Company and said: “Give me figures for wiring my house, and I want it done at once; no more lamps for me. Last night a lamp tipped over and it came so near setting fire to the house and burning my children and I take no more risks.” This is the sentiment of quite a number in the past few weeks, who have ordered their houses fitted with the perfect light. Just think it over and make up your mind that you want the best and safest light; send for the Hawaiian Electric Company and tell them what you want. We have a complete stock of everything in this line and have just received a lot of the very latest designs in chandeliers.

## JUDGE E. G. HITCHCOCK

EX-MARSHAL TO SIT FOR THE TWO HAWAII COURTS.

Consented to Accept at the Last Moment—Mr. Wilder's Friends Disappointed—L. A. Andrews Sheriff.

Sheriff E. G. Hitchcock was this morning appointed Circuit Judge of the island of Hawaii. He accepted it at the request of President Dole. An hour later he resigned his office as sheriff of the big island and will take with him tomorrow his judicial commission.

It has been the desire of the Government that Sheriff Hitchcock should accept the judgeship, but he has repeatedly declined to do so. Not until this morning would he consent to serve.

Mr. E. G. Hitchcock, ex-marshal, is an able lawyer and has had many years experience in court circles, being for a long time sheriff of Hawaii before he was called to Honolulu to be head of the police department. He is a firm, decisive man of good ability and will no doubt make an excellent judge.

Mr. Gardner Wilder's friends will be very much disappointed. They understood early that E. G. Hitchcock was not under any circumstances a candidate. There is bound to be considerable feeling over the matter. When it was learned that D. H. Hitchcock would not serve on account of his health, the field was clear to Mr. Wilder until E. G. Hitchcock stepped in at the last moment this morning. Mr. Wilder's friends are not at all pleased with the campaign method, even if they do readily reconcile themselves to the new judge.

Though the appointment has not yet been made, it is announced that Sheriff Andrews of Maui will go as sheriff of Hawaii. A successor to Sheriff Andrews has not been selected, though the name of Deputy Sheriff W. Scott of Maui is being considered.

### SALUTE.

The Miowera sailed at 9 o'clock this morning. Minister Cooper, Secretary Marx and Capt. McCarthy, departing passengers, were loaded with leis. The band played on the wharf. As the steamer moved out the channel a salute of nineteen guns was fired from the shore battery in honor of Minister Cooper.

### ACCEPTANCE.

Col. McLean Responds to the Challenge of Col. Macdonald.

The following response to the California challenge for a hundred-man match shoot will go forward to Col. Wm. Macdonald, the signer of the challenge, by this afternoon's steamer: Headquarters First Regiment, National Guard of Hawaii.

Honolulu, R. H., Oct. 28, 1896.

Col. Wm. Macdonald, Comdg. First Regt. Infantry, N. G. C.

My Dear Colonel:—Your kind favor of the 6th inst. challenging the First Regiment, N. G. H., to shoot a match, at two hundred yards, with one hundred men, etc., against a like number of men from the First Regiment Infantry, N. G. C., was duly received, and I have the honor to inform you that, at a special meeting of the officers, held last evening, it was unanimously voted to accept said challenge, provided you will permit us to make a slight change in reference to the rifle used by one of the companies, which is armed by the Government with the Lee-Remington, all the other companies being armed with the Springfield.

As you have asked us to name the date, we would suggest that it take place between the 1st and 15th of January, 1897. Captains of the respective teams to notify representatives of opposing teams, of date selected by his team.

Consul General C. T. Wilder will represent our team in San Francisco and will also represent us in the matter of the trophy. We will communicate with him by this mail.

The interest that will attend such an international match, is sure to result in good shooting for both regiments. May the best team win.

I have the honor to be, Very Respectfully,

Your obedient servant,  
R. H. McLEAN,  
Col. 1st Regt., N. G. H.

## Sales Talk

With Hood's Sarsaparilla, “Sales Talk,” and show that this medicine has enjoyed public confidence and patronage to a greater extent than any other proprietary medicine. This is because it possesses greater medicinal merit and produces greater cures than any other. It is not what we say, but what Hood's Sarsaparilla does, that

### Tells the Story.

All advertisements of Hood's Sarsaparilla, like Hood's Sarsaparilla itself, are honest. We have never deceived the public, and this with its superlative medicinal merit, is why the people have abiding confidence in it, and buy Hood's Sarsaparilla almost to the exclusion of all others.

### Customers Want Hood's.

“We order Hood's Sarsaparilla in large quantities and it is the only blood purifier which a druggist can buy in large quantities without risk. It is selling very rapidly and customers who buy it once are sure to call for Hood's the next time. We believe Hood's Sarsaparilla must possess true merit in order to retain its popularity. Its sales exceed all similar preparations and its praises are often heard.” L. SOMMER & SON, Springfield, Illinois. Thousands of druggists say the same.
